Dear Fellow UAPB/AM&N Alumni:

A few weeks ago, you or your chapter president or contact should have received the *Save the Date* flyer announcing the 2010 UAPB Alumni Summer Conference. The conference, hosted by the Memphis Chapter, is scheduled for the weekend of July 22-24, 2010, at the Hilton Memphis Hotel.

As you may be aware, the annual summer conference is designed to promote continued partnership among alumni in support for the educational and financial assistance the university renders to the constituency it serves – most often students to whom higher education would otherwise be denied.

As has been the tradition, the host chapter is preparing an attractive Conference Book to showcase the university, our alumni, and contributors. It is our hope that you and your chapter will support the conference through the various choices of means (a) purchasing space in the conference book for an advertisement, tribute, memorial, honorarium, or congratulatory message, (b) becoming a Corporate Sponsor (see sponsorship form), (c) purchasing admission to ticketed functions.

We are greatly appreciative of the support of alumni in the past and look forward to increasing the support as we focus on not only continuing but also accelerating our help to deserving students. Because of the current economic crisis in our country (and the world), the hardships parents experience in sending their youth to college are greater than ever. This conference can be a catalyst through which some dared dreams can become a reality.

Many colleges are now in jeopardy because of inadequate resources to fund their programs. We want to do our share to help the University of Arkansas at Pine Bluff avoid this dilemma. Just think of how much we CAN accomplish if EACH of us contributes to this worthy cause.

When we have our virtual victory social, let no club or individual stand on the sidelines cheering without the added **Yes We Did!**

Gratefully yours,

Doris W. Hawkins
